## **CITIZEN ALERT: Major Water Main Break at Broadway and Trowbridge Street**

**June 4, 2010** – Cambridge Police, Cambridge Fire, and the Cambridge Department of Public Works are responding to a water main break on Broadway at Trowbridge Street.

Motorists, bicyclists, and pedestrians are encouraged to avoid the area and seek alternate routes as a large section of Broadway has been shut down between Ware Street and Ellery Street. Trowbridge Street has also been closed from Harvard Street to Broadway.

Residents in the affected area may be experiencing decreased water pressure as a result of the break.

The city is making preparations to temporarily switch over to the Massachusetts Water Resource Authority (MWRA) water supply to offset the disruption caused by the water main break.
